

The Credit Services Association & Debt Buyers and Sellers Group Annual Golf Tournament

PGA National Course

Par 72 Yardage – 7053

With its inland links appearance, this championship golf course presents a unique challenge thanks to harder and faster running fairways, quicker, wide open undulating greens, more severe run-offs and its cavernous bunkers, with faces up to 15ft in height.

The PGA National is fast becoming one of the top courses in the country, having hosted two European Tour Events. Recognised by the PGA as a world class tournament course and the only PGA branded course in England, the PGA National is a must for golfers who enjoy the creativity and shot making required for links golf.
